**Fairburn Scores Big: New Youth Soccer Program Kicks Off This Fall at Duncan Park**

**Fairburn, GA — August 12, 2024** — The City of Fairburn is expanding its youth sports programming with the addition of a new soccer initiative. After the recent approval of a facility usage agreement between the Parks and Recreation Department and Kids with Goals Futbol Club, youth soccer will be offered at Duncan Park's Baseball Field #6 (lower baseball field), located at 6000 Rivertown Road, Fairburn, GA 30213.

"We are excited to partner with Kids with Goals Futbol Club to bring this dynamic and engaging soccer program to our community," said Chapin Scott, Director of Parks and Recreation for the City of Fairburn. "This partnership reflects our commitment to providing diverse recreational opportunities that promote physical activity, teamwork, and community engagement."

The youth soccer programming is scheduled to begin in Fall 2024, with activities running from Monday through Thursday, 6:00 PM to 8:00 PM. The program will observe City holidays and Fulton County School breaks, ensuring that participants and their families can plan accordingly.

**Registration Information:**

- **4U-6U Age Group:** \$70
- **8U-17U Age Group:** \$90
- **Uniform Fees:** Separate purchase required

To ensure that all children can participate, Kids with Goals Futbol Club will offer affordable payment plans, ensuring no child is turned away due to financial reasons.

Soccer is not only a globally beloved sport but also an excellent way for children to develop essential life skills such as teamwork, discipline, and perseverance. The addition of this program to Fairburn's recreational offerings provides a valuable opportunity for local youth to engage in structured, positive activities that promote physical health and social development.

Families interested in registering their children for the soccer program can do so by contacting the City of Fairburn Parks and Recreation Department at 770-964-2244 x 134. Early registration is encouraged, as spaces are limited.
