Fairburn Named One of Georgia's Safest Cities to Host Unforgettable National Night Out on August 6, 2024

Fairburn, GA — July 15, 2024 — The City of Fairburn Police Department will host National Night Out (NNO), a nationwide community-building campaign that promotes police-community partnerships and neighborhood camaraderie. The event will be held on Tuesday, August 6, 2024, from 5:00 PM to 8:00 PM at the Fairburn Park & Ride at 8100 Senoia Road, Fairburn, GA 30213.

In 2022, Fairburn was named one of the safest cities in Georgia, a testament to the city's commitment to providing a secure environment for residents to live, work, and thrive. At the cornerstone of this achievement is the unwavering dedication of the Fairburn Police Department to community engagement and proactive policing, making residents feel supported and valued.

National Night Out enhances the relationship between neighbors and law enforcement while fostering a true sense of community. The Fairburn Police Department is taking this opportunity to strengthen community ties further and emphasize the importance of community policing, making residents feel involved and responsible.

"National Night Out is a fantastic opportunity for our residents to meet the men and women who work tirelessly to keep our city safe. It's more than just an event; it celebrates our community's strength and unity. We are proud of our police department and their commitment to engaging with our residents meaningfully.", stated City Administrator Tony Phillips.

The event will feature various activities for all ages, including live entertainment, food trucks, safety demonstrations, and opportunities to meet and interact with local police officers. Children can explore police vehicles, enjoy face painting, and participate in fun games. Information booths will be available to provide resources on crime prevention and community programs.

The City of Fairburn invites all residents to attend this community celebration. Together, we can continue to build a safer, stronger, and more connected Fairburn.
